

HCV275i

275mm Cable, Umbilical & Riser Cutter

Part No – AS00075

- **Versatile:** Perfect for deep sea operations or deck-mounted planned production cutting
- **Dependable:** Designed to cut the toughest armoured export cables and flexible production risers
- **Easy to use:** Hydraulically operated anvil for fast ROV deployment
- **Durable:** Engineered to last in the harshest of environments
- **Built in safety:** Integrated interlock prevents incorrect operation and minimises the risk of tool damage
- **Powerful:** Integrated minibooster gives maximum cutting power even when using low powered HPUs
- **Reliable:** Proven Webtool technology gives cutting edge performance

Contact our engineering team to arrange cut trials or to discuss bespoke designs.
All products are made in the UK.

Technical Specifications

- Maximum Ø275mm cutting capacity
- 210 bar maximum input pressure
- Approx weight in air: 380kg
- Approx weight in water: 328kg
- Swept volume cut stroke: 5.4 litres
- Swept volume return stroke: 2.0 litres

Spare Parts and consumables

- Seal Kit (995288)
- Blade (705050C)
- Anvil (SSC6488)
- Filter (PT00292)

Additional Extras

Hydraulic Hoses

High quality hydraulic hoses to suit Webtool cutters or bespoke applications. Available in a range of pressure ratings and end fittings.

HTP – Hydrostatic Test Pump

Hydrostatic test pump complete with tank, skid, handle and pressure gauge. Perfect for testing any hydraulic equipment. Available in a range of pressures up to 1000 bar.
